

2024 SPONSORSHIP OPPORTUNITIES

MAKE YOUR MARK AT QUANTUM WORLD CONGRESS

[QUANTUMWORLDCONGRESS.COM](https://quantumworldcongress.com)

But here we all are, in this room, a gathering of experts from many nations, focused on the right questions. We're doing what needs to be done: talking about the transformative potential of quantum technologies but also foresighting the risks and talking about the guardrails and ethical principles that will frame our digital future.

At Quantum World Congress, we envision our presenting sponsors' keynotes as pivotal moments for groundbreaking announcements. This platform is an exceptional opportunity for you to unveil major developments such as product roadmaps, innovative features, or new initiatives. The Congress is not just an event; it's a global stage where news and attention are garnered. We encourage you to utilize this prime setting amidst the world's quantum leaders for impactful reveals rather than sales pitches. Our team is dedicated to maximizing your announcement's reach, offering coordination support for earned media coverage and live-streaming services. This is your moment to captivate an elite audience with your latest advancements and steer the quantum conversation.
